

Centreville - Wareham - Trinity Municipal Habitat Stewardship Agreement

The Town of Centreville - Wareham - Trinity and the Government of Newfoundland and Labrador signed a **MUNICIPAL HABITAT STEWARDSHIP AGREEMENT** in November 2017, committing to the conservation and enhancement of wildlife habitat within the town's planning boundaries.

The agreement designates the following as protected areas, known as Management Units, totalling over 5000 acres (over 2100 ha) : Northwest Pond watershed, Black's Brook and Southwest Feeder ponds.
